

# Welcome to MAQGNNet!

## Background

In November 1984, some very insightful women had a vision to have representatives from different guilds get together and share information pertaining to their guilds, workshops, seminars and anything else quilting related. They worked to make their vision a reality and, over the intervening years, the organization presently known as MAQGNNet (Mid Atlantic Quilt Guild Network) was formed.

MAQGNNet includes several member guilds and several resources (teachers). We meet once a year in the Spring, generally in central New Jersey. Meeting time is spent meeting teachers and speakers, reviewing teachers the guilds have used over the past year, and discussing other guild related topics including: membership drives, workshops, program ideas, fund raising ideas, volunteerism, philanthropy programs, Quilt Shows and more.

New Guilds and Resources are always welcome to join our group. For more information browse our membership at MyGrove.co and our website [www.MAQGNNet.com](http://www.MAQGNNet.com)

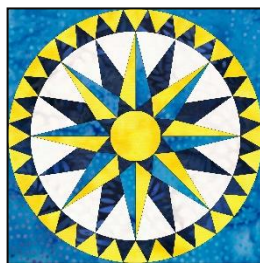

MAQGNNet Guild Membership is open to all quilt guilds and quilt related groups in the Mid-Atlantic region.

MAQGNNet Resource Membership is available to any Quilting Teacher, Speaker, Judge or Appraiser, who is interested in working with quilt guilds in the Mid-Atlantic area.

## Guild Membership

Membership runs for 1 year and is renewable annually. Dues are noted on the Annual Application and are payable by March 1. They are \$25 per year, per guild (though renewals are often less if paid by January 31<sup>st</sup>! We are not in this to make money. Payment of dues entitles your guild to send up to two representatives to the annual meeting. MyGrove.co is the communication tool used by MAQGNNet and is updated at least annually. Being a member allows you to access the all members on MyGrove.co which includes Guild member contact information, Resource profiles, Resource program overviews and fees, Resource contact information, and teacher reviews.

Member guilds are encouraged to send participants to the annual meeting. Interaction with other guilds is the greatest member benefit and is more valuable than the on-line information alone. Networking, sharing information about speakers and programs, discussing issues today's guilds are experiencing and sharing workable solutions are all part of the annual meeting in March, and throughout the year via the MyGrove.co membership.
