Lisbon UWGPAA REUNION

Dear Friends and Colleagues,

On behalf of the Reunion Committee it is my pleasure to invite you to attend the 2019 UWGPAA Reunion in Lisbon. This year we will be celebrating the 70th anniversary of the University of Washington Restorative Department Graduate Programs. This included the former Operative Dentistry, Fixed Prosthodontic and Removable Prosthodontic Programs. For this reason, it was decided that the reunion theme would be "Heritage and Future: bridging the gap". The aim is for all of those who attend to get in touch with the work from some of our latest graduate students and at the same time get to know the former graduates and their exquisite contributions to the field of Prosthodontics. Also, this Reunion has the aim of bringing us closer together to celebrate our unique tradition. All of this in the company of our loved ones in a wonderful city. I hope to have a chance to welcome you here in Lisbon for the 2019

UWGPAA Reunion!

LOCATION

Welcome to Lisbon,

Considered one of the best destinations to visit in Europe and in the world. An historical city where the sun shines 290 days a year. Nicknamed “*The Queen of the Sea*”, it’s coast extends south to the *Tejo* River and west to the Atlantic ocean, which inspired the Portuguese people to go beyond seas. But don’t let your mind wander in the magnificent beaches and sea cliffs around the Lisbon metropolitan area, there is plenty to do in shore. Learn the secrets of the Portuguese cuisine and the numerous ways of cooking the beloved *bacalhau* (salted cod). Discover an ageless city famous for its hospitality and the family-like way it welcomes visitors.
