- All Orders are subject to our Terms & Conditions, which are available on our website at [www.transportcarriersolutions.com/terms-and-conditions](http://www.transportcarriersolutions.com/terms-and-conditions).
- AUCTION, PORT, DEALER, SERVICE or REPAIR FACILITY:** provide any additional information and relevant Auction Buyer & Lot Numbers, Gate Passes, Port Documents, Release Authorizations to "Transport Carrier Solutions, or its Assigns" and any storage fees accrued or storage fees deadline dates.
- LIMITED ACCESS:** Provide correct **alternate location addresses** if you will need to meet the carrier at an alternate location, such as a shopping center, parking lot or other open area, due to restricted access, tight space, posted truck restrictions or loading limitations, etc.
- ALTERNATE CONTACT:** Provide **alternate contact names and phone numbers** if you may not be present for pickup or drop off. You can have a trusted adult act on your behalf, if they will be present for loading or delivery, sign appropriate documents or provide payment to carrier at delivery.
- TRANSIT TIMING:** Short distance transit dates are generally accurate, barring weather, traffic or breakdown related delays. Long distance dates can vary +/- dependent on other stops, weather, traffic, construction, legal drive time restrictions, weigh station, inspection delays, etc.
- INACCURATE CONDITION:** orders listed as fully operational, but won't start, etc. or undisclosed modifications, may result in additional fees.
- NEXT CONTACT:** Once your carrier is assigned, we will contact you to verify & collect your **pickup reservation fees**. This confirms your vehicle truck space and pick up. We will email your pick up reservation electronic invoice. This can be paid **securely online** using credit, debit or direct ACH to your checking account and is **due before pick up**. The remaining balance of your fees will be due to the carrier's driver at delivery in Cash, Money Order or Certified Cashier's Check only. Pick up reservation fees vary by carrier, are due at carrier assignment and the remaining balance is due at delivery.
