BioCharger™ NG

BioCharger™ NG

BioCharger™ NG:

The BioCharger™ NG is a hybrid subtle energy revitalization platform that combines recipes and protocols that incorporate plasma, frequency, and light to for wellness and reenergizing of the body. The BioCharger can be used to benefit the mind and body, alternative therapies, and for peak athletic performance. Various recipes and frequency protocols are utilized in 10-30 minute sessions depending on individual client needs.

BioCharger™ NG

BENEFITS OF USING BIOCHARGER™ NG

Energy

The BioCharger™ NG will revitalize your body to perform at peak levels and have you bouncing out of bed.

Recovery

Whether it's a workout, an injury, stress, or the bumps and bruises of everyday life, the BioCharger™ NG platform will allow you a quicker bounce-back.

Performance

Getting the most out of your body comes down to effort, practice, and the recovery that follows.¹ Just 15 minutes a day with the BioCharger™ NG can accelerate you toward your new personal best.

Focus

The BioCharger™ NG helps align your mind and body to allow you to work efficiently.

Sleep

The BioCharger™ NG delivers healing energy waves¹ that will realign your mind and body, so you're prepared to face the day in the morning and ready for bed at night.

Flexibility

Just as the BioCharger™ NG helps to accelerate muscle recovery and reduce stiffness in joints, it also contributes to improved mobility and flexibility.

BioCharger™ NG
