Cocoon Wellness Pods

Cocoon Wellness Pro Pod:

A luxurious, full body, powered massage system ergonomically situated within a pod of thermal active energy creates a revitalizing, rejuvenating and relaxing experience for the mind, body, and spirit. Users lie down in the bed, adjust the features, and enjoy private wellness sessions that last from 15 to 60 minutes. The customer will experience the limitless rewards of mindfulness, enhanced fitness, and well-being. The Cocoon Pod features a patented, built-in exercise fitness system. Exercise bands are easily changed to provide low to high resistance for all fitness levels. The Integrated FitBed optimizes weight management goals and maximizes calorie burn for increased fitness results.

Cocoon Wellness Pods

Cocoon Wellness Pro Pod:

The color touch screen provides workouts for users to choose from. The system combines high heat and exercise and enables calories to burn better. Fitness experts choose to use the FitBed exercise system to help them achieve their fitness goals faster. The user friendly Cocoon software includes preset Cocoon programs: Relax; Wellness; Power Nap; and Fitness & Weight Management. Users can also select custom programs or create their own customized setting for pre and post fitness workouts sessions. All programs can be modified to personalize and change: Session time; Duration; Heat Levels; and Massage Intensity.

Cocoon Wellness Pods
