

2018
Girls Golf at TWCC
Clinic Registration

All Girls Golf Clinics are 75 minutes. We start with a 30 minute craft followed by 45 minutes of instruction/games/contests. Why include a craft in a golf clinic? It serves to break the ice with newcomers and adds a social element to what is typically an individual sport. Other than safety, the most important ingredient to a successful youth sport experience is **fun**. All of my Girls Golf Clinics are designed to make the experience of learning golf fun.

_____ Tues, May 8	6:00-7:15	Tic Tac Putt
