

# Adult Beginner Golf League

**Tallwood's Adult Beginner Golf League** is designed to help the newer golfer develop the confidence to actually play golf and in the process have some fun. Unfortunately, many new golfers limit their golf experiences to the driving range with the thought that they will play one day when they are "good enough." For many, this day never comes because they lose interest on the driving range and consequently, never really take to the game. Don't let this be YOU! Tallwood's Director of Instruction, **Nicole Damarjian**, will be on the golf course with you to create a comfortable environment for all. She will share strategies for how new golfers can have fun on the golf course while they learn to play quickly, courteously, and safely.

## To join...

**STEP 1:** Choose the date or dates you would like to participate. **Tuesdays: August 21 or 28.** Feel free to register for one day to see how you like it and then sign up for more...we know you will have fun!

**STEP 2:** **Plan to be at the golf course by 6:00** ready to meet your group by the large practice putting green and to load your clubs onto a golf cart. A "golf cart driving lesson" will be at the start of each session, so don't let this intimidate you. More than likely you drove your car to the golf course, so the golf cart will be a piece of cake!

**STEP 3:** All groups will head out onto the front 9 to play for approximately one hour. We will play a scramble format. **At 7:15 all groups will return to the club house for a light dinner.**

**CUT Along Line - Save Top Portion for a Reference**

---

Name	
Phone	
Email	

Cost: \$30/date (includes: greens fee, cart fee, instructor fee, dinner)

Number of dates \_\_\_\_\_ X \$30 = \_\_\_\_\_

**Makes Checks Payable to "Nicole Damarjian."**

Please circle the date/dates you wish to register for and complete the dinner selection.
