

2019 Pee Wee Pro's Clinic Series

Pee Wee Pro's is an instructional program designed to introduce golf to young children 3-6 years of age. The primary objective is to instill a message that golf is fun and share with parents and care-givers how they can best support this objective. No golf equipment is necessary...we provide children with SNAG golf equipment to use during the clinics. SNAG (Start New At Golf) equipment is designed to make learning golf easy. The clubs and balls are oversized and brightly colored to increase the likelihood that our Pee Wee Pro's will meet with success. The only thing we ask is that each child be accompanied by an adult to share in the fun and help with safety. The cost is \$20 per clinic. Please send your completed application and payment to: Tallwood Country Club, 91 North Street, Hebron, CT 06248, Attention: Pee Wee Pro's.

Child's Name and Age:

Parent's Name:
