Girls Golf at TWCC
Clinic Registration

All Girls Golf Clinics are 75 minutes. Each clinic includes 45 minutes of instruction/games/contests as well as a 30 minute craft. There are two clinic times per date. The **first clinic time** is for our younger members (age 7-11). The **second clinic time** is for our older members (age 12-17). There is an overlap of 15 minutes between both clinics for all of our Girls Golf members to connect with one another.
