Neighbors Release

DAMAGE RELEASE WAIVER TO PLANT DAMAGE

PLANTS

We will be fumigating your neighbor's structure for the control of drywood termites. In order to put the tarps on the structure we will damage your plants. Due to the fragile nature of plants and the weight of the tarps, DAMAGE WILL OCCUR to your plants. We will do our utmost to ensure damage is kept to a minimum. Keep in mind when the structure is covered with tarps, plants under or adjacent to the tarps will have damage. Mega Fume, Inc. and/or your licensed termite company assume no responsibility or liability for damage to your plants during the fumigation process. By signing below, you certify that you have read and understand the above text and will assume all responsibility and liability for damaged plants.
