

REVIVAL SUGGESTIONS FOR A FOUR DAY MEETING

Greetings in Christ!

Pastor, these are some simple suggestions that are proven to help us reach a good harvest in our meeting. Please try to follow them as much as possible. I am praying for God's anointing on our time together. For publicity you can use the picture and profile at www.ronherrod.org. Please call me at 865 599 8797 with any questions.

I will arrive on Saturday and hope to have dinner with you and other leaders.

1. Please arrange a meeting with some men and women who can help us with counseling for about 30 minutes on Sunday morning.
2. Please provide an 8 foot table for some resources and a person to assist with that. We can meet with this person for about 10 minutes on Sunday morning.
3. I will need your worship leader to give me as much time as possible on Sunday AM.
4. The following attendance promotions will be helpful . . .

Sunday morning should be FRANTIC Sunday – Friends, Relatives, Associates, Neighbors Together in Church! Make a card and give it to your people 3 weeks early. Put on the top - **FIVE ON THE WAY!** Use Luke 16 to motivate your people – the rich man's five brothers are "on the way" to hell. Make 5 blank lines and have them fill them in with the names of people they want to reach for Jesus. One week before they should bring them to the altar and pray for these folks to be saved.

Sunday night should be SUNDAY SCHOOL NIGHT – Your people should attempt to have 100% of their SS enrolment in attendance and sitting together. I will have a gift for the best % response.

Monday night we should have Children's Night with a Children's Choir. We can have a Children's event prior to the service and I will meet with them. This is also Family Night with special emphasis on homes and families.

Tuesday night Pack a Pew Night – Specifically assign the pews to some good folks - I will give a gift to the most successful man and woman and we will have good competition.

Wednesday night – an event for teens (pizza or tacos) I will show them a movie and share with them. We will recognize them in the service. My topic on Wednesday will draw a great crowd.

There is no substitute for getting your people to pray! Please organize classes to pray and cottage prayer meetings.

5. A Saturday outreach to the community is very helpful just before the meeting.

6. Using radio, TV, and newspaper to advertise the meeting does not hurt.
7. Please be open to counsel me in any way I can be helpful to you and your church. I am coming to be a servant to the Lord and to you. I was a pastor for 36 years of every size church from 0 to 6000 members. I love pastors and am coming to help, not hurt.

Let's stay in touch regularly and covenant to pray for God's anointing and for a great harvest.

Call me with anything that is on your heart. (865 599 8797). Emily will be with me and we will have our motor coach and will need a special 50 amp plug if possible. Please have your electrician give us a call.
