Team Build Days

Corporate Team Builds with Habitat for Humanity provide a unique, fun and rewarding experience for any group. No previous construction skills are needed and Habitat will provide the tools and training you need for success.

Your work day will help your team:

- Build and strengthen relationships
- Create memories
- Improve communication
- Build trust
- Develop leadership skills
- Demonstrate your organization's commitment to community building
- Foster goodwill by helping others

By participating in a Team Build, your team will play an important role in helping to provide decent and affordable housing for a local family.

Waivers

Volunteers must sign a waiver. The minimum volunteer age is 18 years old.

Customize Your Team Build

Arrange for a day that meets your schedule and focuses on your objectives. Your organization provides the funding, you and your invited volunteers provide the labor. Habitat provides all building materials, training, supervision, tools, and safety equipment.
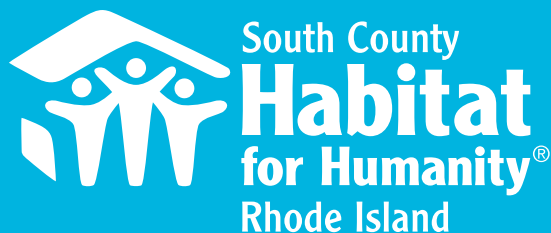

Corporate Team Build Days are available throughout the week. Full day sessions run from 8:30 to 4:30. Half day sessions are also available.

Schedule

A typical full day Team Build schedule includes:

8:30	Introductions
9:00	Project and safety orientation
9:15	Review of tasks and tools
9:30	Work on site with Habitat staff
12:00	Lunch
1:00	Work on site with Habitat staff
4:00	Debrief and close

Habitat can provides water, coffee, fruit and pastries throughout the day. Lunch can also be arranged.

What to Wear/Bring

Habitat builds in all weather conditions, so dress for the weather and wear layers. Wear sturdy, comfortable clothing that you don't mind getting dirty or stained. All tools and safety hats are provided.
