

Ways to Support Us. . .

The 1990 Legacy Society was created to recognize supporters who make gift plans to benefit our housing ministry throughout and beyond their lifetimes. Legacy gifts made to SCHH help ensure that decent affordable shelter will be available for future generations.

Please consider making SCHH a part of your estate plan. Your gifts may include, but are not limited to:

BEQUESTS

Gifts through a will or trust that could include cash, real estate, stocks, and bonds.

CHARITABLE GIFT ANNUITIES

Contracts that provide you or your beneficiaries a fixed annual income in return for your tax-deductible donation of cash, investments, or other assets.

RETIREMENT ACCOUNTS

Name SCHH as a beneficiary of your retirement plan assets, possibly reducing your heirs' tax burden.

LIFE INSURANCE POLICIES

Name SCHH as a beneficiary and/or owner of life insurance contracts you no longer need.

CHARITABLE TRUSTS

Through special arrangement establish a trust and name SCHH the beneficiary, often reducing your taxable estate and gaining tax benefits for yourself or your heirs.

Note: South County Habitat for Humanity does not provide legal or tax advice. The services of an attorney or other professional should be obtained.

South County Habitat for Humanity (SCHH) was established in 1990 as an affiliate of Habitat for Humanity International, a nonprofit ecumenical Christian housing organization.

Our mission is to contribute to the elimination of substandard housing by creating decent homes in partnership with people in need. SCHH continues to build homes with the generous support of friends and neighbors who share our mission.

Through shelter, we empower!

Make a planned gift today
to build homes for tomorrow

*"The true meaning
of life is to plant
trees, under whose
shade you do not
expect to sit."*

—Nelson Henderson

When you give to South County Habitat through your estate or long-term financial plans, you are forging your legacy and ensuring that future generations can secure decent and affordable housing.

Create a Legacy

By naming South County Habitat as a beneficiary of your will, living trust, insurance policy, or retirement plan assets, you help future generations of families in need to build strength, stability, self-reliance and shelter.

You may find that a gift from these assets has tax advantages that enable you to make a much larger gift to SCHH than you could make out of your current income. Your gifts allow you to transform the lives of families in need of a hand up, providing a world where everyone has a decent place to live.

SCHH Giving Tree

Help Grow the SCHH Endowment Fund

Make a gift to support our mission of providing access to decent and affordable housing into the future. **Donate to** the South County Habitat for Humanity Endowment Fund.

Your gift to our endowment, which is administered by the Rhode Island Foundation, will provide permanent income for SCHH that will increase over time. It will serve as a permanent tribute to you by future generations of families here in South County.

Many individuals are able to make larger endowment gifts than they dreamed possible. You can receive great satisfaction from making a significant contribution from assets accumulated over your lifetime.

“When you write a check or make a bequest to the SCHH Endowment Fund, you are helping ensure the financial strength of South County Habitat for years to come.

My husband and I are pleased to know that our gift to the Fund will have a lasting and even growing impact beyond our own lifetimes.”

—Evelyn Dvorak,
Past Board Member
