### Sponsorship Opportunities

In 2020, South County Habitat for Humanity will celebrate its 30th Anniversary. That's 30 years of helping 100+ local families with their need for decent and affordable housing. That's helping over 150 children with a place to call home. And along the way, that's over 6,000 volunteers providing a helping hand to make this all possible.

Unfortunately, now more than ever, the need for affordable housing continues to grow. Without the tremendous financial support of our local community, including individuals, organizations, churches and businesses, what we do wouldn't be possible. Join us as we celebrate 30 years of work in the community and please consider being a sponsor of our **Hammers & Hope 30<sup>th</sup> Anniversary Gala** to help with the next 30 years.

**Everyone deserves a decent place to call home!**
