TO OUR VISTORS

We want to personally thank you for joining us today. It is our prayer you leave our worship service with an uplifted spirit. Below is what you can expect during today's worship services.

Singing: Non-instrumental singing plays a great part of our worship services. We trust that you will find this to be a uplifting praise to the Lord (Eph. 5:19)

Communion/Lord's Supper: Each Sunday we observe the Lord's Supper, which reflects on the death burial and resurrection of our Lord Jesus, and the hope of everlasting life we now can live through him (I. Cor. 11:23-26)

Contribution: During the service, we as members are given the opportunity to give a portion of what God has given us. These funds are used to support the church locally and abroad to help spread God's Word (I. Cor. 16: 2)

Managing Life's Choices

Do you want your coffee with cream and sugar or do you want it black? Do you wear the red tie or the blue tie? Should you eat the pizza for lunch or the salad? Every day we are faced with choices. Some choices don't seem so difficult with consequences that seem small, while other choices can have a huge impact on you for the rest of your life. Which job do you take? Where should I go to school? What do I want to do with my life? Should I be baptized? Which church should I attend? How do you handle the big decisions in your life? Making the "big" decisions can be overwhelming and difficult, but if you follow a few basic guidelines, you will be surprised by the results.

I think the biggest problem people have when making life changing decisions is the lack of patience. We are humans, and humans want things done now! We aren't happy if we have to wait for anything. We want instant gratification and instant results. We must learn one simple rule: my time is different than God's time. When confronting the choices we have in life, God should always be brought into the equation. We should always turn to God in prayer, ask Him for help and guidance, and most importantly ask Him for the patience to carry you through whatever you're going through.

I'm reminded of Jesus on the night he was betrayed in the garden. Jesus knew that his death was just a few short hours away. He knew that pain and torture were waiting for Him. Jesus had a decision to make. He could have called upon the angels in heaven to come down and save Him from the impending torture of crucifixion or He could go along with the plan that was put in place from the very beginning. The choice was His, but notice that He didn't make this decision alone. "Jesus went with His disciples to a place called Gethsemane, and He said to them, 'Sit here while I go over there and pray'" (Matt 26:36). *His prayer was simple: "My Father, if it is possible, may this cup be taken from me. Yet not as I will, but as you will"* (Matt. 26:39).

Jesus understood that God's will and God's way was more important than His own. I wonder how many of us have the same trust in God that Jesus had in the garden? Do you trust that God's way is what's best for your life? Next time you are faced with one of life's big decisions, put the decision in God's hands. Ask God which way He wants you to go. From my own personal experience, God has a way of shutting some doors and opening other ones to help show you the way He intends for you to go. Sometimes it may take awhile for God's way to become clear. With patience and trust in the Lord, we can begin to make decisions that will not only benefit our lives, but further the work of God's kingdom.

Senior Spotlight

Essential Health Tips for Seniors Medicare Eligibility and Enrollment

For some people, there may be some significant coverage gaps or large expenses associated with sharing medical costs that can add up in a Medicare plan. However, the Federal and State governments have developed a system in collaboration with the private insurance providers to help individuals cover these gaps. There are different levels of coverage from which you can choose.

Since Medicare Part D (prescription drug coverage) varies substantially among companies providing such plans, you should investigate the wide variety of online tools provided to help you choose the right prescription drug coverage plan.

Reports suggest that there are 43 million people in the US who have benefited thus far from the Federal Health Insurance by Medicare. If you want to have a healthy and financially secure retirement, Medicare is essential for you.

BLACK HISTORY 365 - G.P HOLT (1923-2001)

Born in Rutherford County, Tennessee, George Philip Holt, Sr., was the son of Marion F. Holt, the brother of Marion V. Holt, the nephew of A. C. Holt, the son in-law of T. H. Busby, and the grandson of G. P. Bowser. His father, brother, father in-law, uncle, and grandfather, were each widely renowned gospel preachers in the Church of Christ. Holt was baptized in the year 1937 under the preaching influence of Paul D. English, Sr., and began preaching in 1939.

He received his early ministerial training at the Bowser Christian Institute under the tutelage of his maternal grandfather G. P. Bowser.

Among the many articles and books authored by this internationally acclaimed "Bell Ringer of Truth" are *Sources of Sunshine and Adventist Doctrine Upset*. Holt was selected by the Chicago area ministers in 1979, to become the first Crusade for Christ speaker. Furthermore, G. P. Holt successfully defended the gospel in several debates with the Adventist, Baptist, and Church of God denominations. Because of his love for Christian education and undying dedication to the cause of Jesus Christ, a Doctorate of Humane Letters was conferred upon Evangelist G. P. Holt, Sr., by Southwestern Christian College.
