## TO OUR VISTORS

We want to personally thank you for joining us today. It is our prayer you leave our worship service with an uplifted spirit. Below is what you can expect during today's worship services.

**Singing:** Non-instrumental singing plays a great part of our worship services. We trust that you will find this to be a uplifting praise to the Lord (Eph. 5:19)

**Communion/Lord's Supper:** Each Sunday we observe the Lord's Supper, which reflects on the death burial and resurrection of our Lord Jesus, and the hope of everlasting life we now can live through him (I. Cor. 11:23-26)

**Contribution:** During the service, we as members are given the opportunity to give a portion of what God has given us. These funds are used to support the church locally and abroad to help spread God's Word (I. Cor. 16: 2)

## We Need Each Other

There is an indelible and universal truth as it pertains to the church. We need each other. In fact, the Bible is adamantly clear that without the contribution of each member, the church does not properly function. Thus is the substance of Paul's discussion in 1 Corinthians 12. The church in Corinth struggled with supremacy. There were those who possessed the most coveted and thereby most respected spiritual gifts, and to those they bestowed greater honor. Within the church, they were considered the most important. To dispel such a divisive notion and to promote unity, Paul makes some assertions. Notice what he says in 1 Corinthians 12:19-22, "And if they were all one member, where would the body be? But now indeed there are many members, yet one body. And the eye cannot say to the hand, "I have no need of you"; nor again the head to the feet, "I have no need of you." No, much rather, those members of the body which seem to be weaker are necessary."

Why? Because truthfully, if we all possessed the same talents, the same abilities, the same strengths and even weaknesses; where would the body be? The answer is simple. It would be lacking what you can contribute whether great or small. You see brethren, the truth of the matter remains indelible. We need each other. Therefore, let us conclude that although you may not be able to do what others can; there is no gift given by God that is not both useful and beneficial to the growth and vitality of this congregation. So, by all means, contribute!

## Senior Spotlight

Essential Health Tips for Seniors

### Brand Name Generic Drugs

#### Can I substitute brand name drugs with generic drugs?

The FDA (Food and Drug Administration) has a test called the "bio-equivalence test." Simply put, this test checks whether a generic version of a particular brand name drug is as effective as the brand name drug.

Usually, these differences are negligible but at the same time there are drugs that operate within a narrow spectrum of effectiveness. In this case, switching from a brand name drug to a generic drug may not be advisable.

It has been observed in some patients that substituting brand name drugs with FDA-approved generic drugs may cause minor side-effects. This is the reason why medical professionals are usually not very comfortable with substituting the types of drugs that has been prescribed to patients.

## BLACK HISTORY 365- DOROTHY HEIGHT (1912 -2010)

Dorothy Height, a teacher and social service worker, was the four-decade-long president of the National Council of Negro Women (NCNW). She was called the "godmother of the women's movement" for her work for women's rights. She was one of few women present on the platform at the 1963 March on Washington. In 1986,

Ms. Height became convinced that negative images of black family life was a significant problem, and to address the problem, she founded the annual Black Family Reunion, an annual national festival.

In 1994, President Bill Clinton presented Height with the Medal of Freedom. When Dorothy Height retired from the presidency of the NCNW, she remained chair and president emerita.

Quote: "We are not a problem people; we are a people with problems. We have historic strengths; we have survived because of family."
