BASIC RULES for London Open Golf Tournament The Fox Golf Club

Competition:

- Depending on the number of registered golfers, it is anticipated that there will be a shotgun start at 11:00 a.m. Be there early enough (10:00 a.m. at the latest) to register so that everyone starts **ON TIME!!** You need to give yourself enough time to get to your starting holes.
- Individual stroke play for nine holes will be the competition format. Maximum shots per hole is 10 strokes. If a 10th stroke is played without holing the shot, the player shall record a score of 10X and proceed to the next hole.
- **Penalty shots.** In order to ensure a steady pace of play, the following rules will be adopted:
 - **Out of bounds** – if the players hit a ball out of bounds or believe their ball is out of bounds, they must hit a provisional ball from the last point of contact. For example, on holes #2, or #6 or #7, if the player hits their first ball out of bounds from a tee off point, the player will hit a provisional ball from the tee off point and will be laying 3. If it should happen again on the same hole, the next shot off the tee off box will be laying 5, etc. Penalty is stroke and loss of distance.
 - **Lateral hazard rule** – the fescue on the golf course will play as a lateral hazard. The player can hit out of the fescue or take a one stroke penalty and drop the ball a maximum of 2 club lengths from the entry point
 - **Any unplayable lies** will count a 1 stroke penalty allowing the player to drop the ball 2 club lengths from the spot in question but not nearer the hole.
- There is a water hazard on hole #5. In order to keep pace of play going, players will be required to proceed to the designated drop area should they fall prey to the water hazard. Note: The player can opt to hit out of the hazard if they wish.
- A limited number of pull carts are available at the golf course. Athletes are **strongly encouraged to bring their own pull carts**
- The use of power carts will only be permitted, at the athlete's cost, for athletes with mobility issues. A volunteer will be provided for that cart.
- **Golfers are encouraged to bring caddies.**
- The athletes are expected to transport their own clubs and make their own decisions on shots
- Forecaddies (volunteers) will be placed at strategic parts of the golf course to assist with location of golf balls and ensure pace of play
- Caddies do not require an SOO # but will be asked to sign a waiver to play.
