Horse Rescue & Adoption

FOSTER A HORSE PROGRAM

Fostering a horse is an important commitment on your part, and a valuable contribution to Blue Rose Ranch, Inc. Foster “parents” take over the expense of the routine care of a horse; including feed, trimming of hooves, worming, and inoculations. These routine expenses cost \$125 each month. Because of your agreement to foster a horse, Blue Rose Ranch is able to rescue and care for an additional horse.

As a foster parent, you will be appraised of your horse's activities and condition. We encourage you to visit Blue Rose Ranch and enjoy the company your horse. The relationship you have with your foster horse is very special.

FOSTER AGREEMENT/CERTIFICATION

I agree to foster the horse_____. I will contribute \$125 monthly (tax deductible) to Blue Rose Ranch, Inc. to help cover the routine expenses of the horse’s care.
