

GENERAL WEB SITE DISCLAIMER - Revised January 2008

This web site is produced by Central Electric Power Association. This service, including its contents, are being provided "AS IS" without warranty of any kind, either expressed or implied, but not limited to merchantability, fitness or non-infringement. In preparation of this site, we have made every effort to offer the most current, correct and clearly expressed information possible, however, inadvertent errors can occur. Changes are made periodically to this web site, and may be made at any time without notice.

By providing this site, Central Electric Power Association shall not be held liable, or undertake any responsibility whatsoever, for the content of messages or information posted by users on this site, or information or publications of third parties on the internet, even if accessed through the Central Electric Power Association web pages. Please understand that information supplied by third parties and non-Central Electric Power Association web site are independent from Central Electric Power Association, and therefore, we have no control over their content. Links to other web sites contained herein are provided solely as a convenience to our users, and do not constitute endorsement or approval of, or affiliation with, these linked web sites or the organizations that provide them, unless otherwise noted.

Association make no representations, warranties, or commitments with regard to any data or information supplied on this web site, through a linked site, or posted on this site by users. If you rely on any data or information, you do so at your own risk. Central Electric Power Association shall not be held liable to any party for any direct, indirect, special consequential, or other damages resulting from the use of this web site if any linked even if you expressly advised us of the possibility of such damages.
