## Events / Meetings

Mixin' Up Smiles can provide cookies for any event (wedding receptions, wedding or baby showers, parties of any kind, holidays, corporate events, sports team functions, etc.). You

name it, and we can customize the labels and display for your needs.

In the office, choose any tempting flavor (or an assortment) as a treat during your meeting. If you don't want the traditional cookies for morning meetings, we have a group of "muffin" cookies that attendees will love! Cookies can be arranged on a tray, or individually wrapped.

We can also provide cookies for a realtor open house.

## Gifts / Packaging

We can provide gifts for your clients and prospects, realtor closings, employee incentives / rewards, and personal gifts.

Individual cookies come in a clear cellophane bag with a custom label. Small amounts (three or six of a type) may be stacked in a clear bag.

Standard packaging for one dozen cookies is a white baker's box (or a tray). Larger quantities are delivered on a tray or in multiple white boxes.

Specialty packaging such as decorative boxes, tins, coffee mugs, plastic and metal buckets, wicker baskets, and gift bags is available. We will ensure that the packaging matches the message.

Also, custom gift baskets can be created with additional items of your choice included.
