A Message from the Interim-President

Greetings,

It is an honor and privilege to invite you to become charter members of the National Association for Black Veterinarians. It is my hope that this organization will serve as a launchpad for students at all levels who are interested in veterinary medicine and a support system for current veterinary professionals.

Through collaboration, outreach, scholarship, and professional development, I am confident in our collective ability to make a difference. Words cannot express how excited I am to take this journey with you. Fasten your seatbelts. It's time to soar!

Yours in service,
Annie J. Daniel, PhD
