

Logo Design

ForKids This organization wanted me to update there logo, by simplifying and making it more modern.

Second Revision

ForKids The design team leader desired all the info to be compressed into the “book” design.
 Norfolk, VA Arguably, I had a difficult time.

Final Design

ForKids I had to work through multiple iterations until we settled on an “open book” design. The final
 Norfolk, VA design was a drawing from the design team leader.
