This meeting was held to approve changes to the Archery ACT constitution. The changes were received by the RGB Secretary on 29 September 2017 and sent to the delegates and club secretaries on 14 October 2017 (as per the notification requirements in the current constitution).

A motion was received to accept all changes to the constitution. TAC delegates asked for minor changes to be made to wording and definitions.

The meeting was suspended to allow the changes to be made and will re-convene on 4 November at 3pm at TAC. The changes are to be re-distributed to the delegates and committees before approval.

The meeting was re-convened at 3.15pm at Tuggeranong Archery Club, all delegates voted unanimously to accept the motion to make changes to the constitution.

Forms are to be filled in and lodged with the ACT Government prior to the AGM in November.

Meeting closed 3.20pm
