

# MISSION

The mission of Pyramid Builders Counseling Services, Inc. is to provide clinically and culturally effective mental health prevention and intervention services to children, adolescents, adults and families at risk. Our goal is to promote social, emotional, economic and behavioral health within families.

# VISION

The primary aim of Pyramid Builders Counseling Services, Inc. is to increase access to mental health care for individuals and families throughout the Commonwealth of Massachusetts that traditionally have been marginalized or who have received services that were lacking clinically.

A Joint Commission Accredited  
Health Care Organization

## Pyramid Builders Counseling Services, Inc.

Is a Joint Commission accredited licensed mental health clinic that provides home based and community based psychosocial, therapeutic and clinical services to children, adolescents and adults.

Pyramid Builders Counseling Services, Inc. provides a wide array of services for children, adolescents, adults, couples and families. These services are strictly confidential. We are accredited by the Massachusetts Department of Public Health. In addition, we work in conjunction with the Department of Children and Families (formerly DSS) and other state agencies.

Pyramid Builders staff consists of psychologists, psychiatrists, social workers, mental health counselors, nurse, and teachers reflecting the diversity of consumers we service. Our clinicians and experts are experienced, board-certified, and licensed to provide the best in culturally competent psychological, psychiatric and consulting services.
