All exhibitors with paid membership can qualify for year-end awards by showing a minimum of 4 times in the same division with the same equine and completing 10 volunteer hours during the season. Points and volunteer hours do not begin accumulating until a paid membership application is received by the Club. Volunteer hours can be worked on behalf of an exhibitor/member but **MUST** be recorded in the pleasure/gaming office within, 24 hours of completion, to be counted. If you start the season in a walk/trot division and move up to a walk/trot/canter division, you will forfeit any walk/trot points earned during the season. All exhibitor and equine combinations will receive two laminated numbers.
