

Dear Mission South Churches,

The Mission South Youth Ministry Team (YMT) is the group that plans, designs and leads the CYF events. The youth and adults on this team plan two weekend events (Rally), a Service Rally, and Summer Camp (Conference) in the summer. This team is a great leadership experience for the youth that are involved.

Each church in the Mission South area is asked and encouraged to send youth representatives from their congregation to be on this team.

We do ask that the youth representative from each church follow the listed guidelines:

- In 10th grade or higher in the 2020-2021 school year (although we encourage students who have already been to 1 year of CYF camp)
- Currently enrolled in High School
- Involved in your church and youth program
- Willing to make meetings and events that are scheduled throughout the year
 - We do understand high school conflicts
 - Note: A more detailed list of responsibilities are listed in the application form attached

Applications will be due to Risha Dulip (Mission South CYF Moderator), by February 15, 2020. We are encouraging you to scan and email your applications to Risha since snail mail can sometimes be delayed.

YMT is made up of representatives from each member church and 6 or more adults from the Area. If you are interested in being a YMT adult, please email Emily Wycpalek and Evan Tiffany, Outdoor Ministry Chairs, at ewycpalek@gmail.com and evwatif@gmail.com.

The Regional Representatives will be chosen during the interview process after applications are turned in on February 15th as well. Please have your youth write RYMC on their application to show that they are interested in the Regional Representative position (RYMC). We can select 3 RYMC youth each year. Typically, these are youth that will enter their senior year during the 2020-21 school year.

Please pray about your representation on this team through a youth from your church and prepare them to become a vital part of our Area high school youth programming.

If you have any questions, please feel free to contact us through any of the emails listed on this form.

Peace,

Risha Dulip, Mission South CYF Moderator
