Program Features

1. Professional language courses aiming to raise learning interests	Tailor-made Learning Materials Children are placed into suitable classes based on their proficiency levels and ages. Classes are taught in a lively and interactive style and the contents are tailor-made for children. Language Enhancement Class Following the structure of Advanced Placement programs, our courses strengthen children’s listening, speaking, reading and writing skills based on their proficiency levels, and guide them to present their learning results in Cultural Projects (Chinese rap, drama, and writing).
2. Learn with an Elite Team	Quality Teaching Team We recruit and select a team of teachers who are loving, patient, creative and professionally-trained to guide and teach children. Dedicated TAs to look after the Students One TA is assigned to every class to take care of children and assist them with their studies, to provide children the most attentive care.
3. A Wide Variety of Classes—Creating a Chinese Immersion Environment	Various Learning Activities Different kinds of learning activities are integrated with Chinese learning to help immerse students in the Chinese learning environment. We encourage students to speak Mandarin in our camp.
4. Sustainable Learning Program — Non-Stop Chinese Learning	Regular Learning Programmes After the conclusion of Mandarin Summer Camp, students can continue taking our Mandarin Chinese programmes after school.

Placement Test

A Placement Test is given to students before the camp for the purpose of class allocation. The test includes a writing test and an oral interview. No placement test is set for total beginners.
