The standard used to verify the above service provider or organization is NFPA 1851, Standard on Selection, Care, and Maintenance of Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting, 2014 Edition and/or NFPA 1855, Standard on Selection, Care, and Maintenance of Protective Ensembles for Technical Rescue Incidents, 2013 Edition.

This Certificate of UL LLC is the only method provided by UL to identify repair service providers and organizations verified under its Certificate and Follow-Up Service. Repair service providers and organizations for which Certificates are issued are considered by UL to be compliant with the applicable requirements at the time of issuance. UL assumes no liability for any loss that may result from failure of the repairs, incorrect certification, or nonconformity with requirements. Certificates are valid for up to one year from date of issue.
