

5 DAYS SUMATERA BIRDWATCHING

Day 1 : Arrival Bandar Lampung (best arrive time before 12.00 AM)

Arrive at Bandar Lampung Airport. You will be met by one of our senior staff for the drive to The Satwa Sumatra Elephant Eco Lodge, around 90 minutes, where you will have dinner. This is a long travel day through many different cultures and islands on the Indonesian archipelago Transfer to **Way Kambas National Parks**. Overstay in **Satwa Elephant Ecolodge** for 4 nights

Day 2 : Way Kanan-Night Spot Walk (B/L/D)

Early morning drive to the Park. Birds- and mammals watching along the road to Way Kanan. Birdwatching along loop trail at **Way Kanan** (*rail babblers, argus, siamang* etc).Afternoon back to hotel take rest. After dinner will start bird night watching (for 3 hours)

Day 3 : Way Kanan-Kalibiru-Rawa Gajah walking (B/L/D)

After breakfast, you will drive slowly through the Park to **Way Kanan** stopping to see and hear the Siomang Gibbons calling. You will then take a boat to **Kalibiru** (around 60 minutes). Then you will proceed on a fascinating walk either to a game viewing platform or to **Rawa Gajah**, a swamp area where often Elephants are seen. Depending on the season, this area is grassland or under waist deep water. **Sambar deer**, wild pig, binturong and the endangered white winged wood duck have been seen here. The trail often shows scats, pug marks and tree scratching of Tigers. This makes the trip really exciting. After a picnic lunch, you will walk slowly back **to the boat** and who knows what you may see on the river on return, hopefully primates, different bird species, deer and maybe elephants. A great days wildlife experience.

Day 4 : Visit Sumatran Rhino Center-Bird Watching (B/L/D)

After breakfast, visit **Sumatran Rhino center**. This is a special experience where you will hear first hand about attempts to bring back an almost extinct species. This is a unique experience where a donation (USD 90/pax **if permitted**) will be required for research **rare sumatran rhino**. Sometimes this tour is only allowed in the morning and thus the tour will be undertaken in reverse.Then will enter the forest again to bird watching. During this period mot tour sight over 50 species of birds and many mammals. Most bird group sight or hear over 50 species over this time period. The **White Winged Wood Duck** is the endemic to be seen. (3 hours for every bird watching, additional time will be extra charges)
