From Your Grand Knight

Hello All. Summer is upon us. And so is the beginning of another year for our Council. This will be a big year of activities.

But first, I would like to thank everyone for voting me in as your Grand Knight for another year. I hope I have done a good job for you during this past year. It is never one person who makes the Council run smoothly, but a group of Officers, whom you have put your faith in, and elected them to positions on the Council. As Past Grand Knight Sam Joseph has said: ***"It is not I, but we"***. It is the entire Officer body working together to make this Council great. This Council is fortunate to have so many good men chosen to be an officer.

Now, on to other Council items. I stated at the beginning that this will be a big year of activities. It started on June 28th, when the new slate of Officers was installed at the Hall. Following that, the Officers for the Women's Auxiliary were also installed. Refreshments and dessert were served after the ceremony.

Deputy Louis Kanowsky is working on our annual Clergy Dinner, which will be held at the Hall on Wednesday, August 8th, 2018. Cocktail hour will start at 6:00 pm, and Dinner at 7:00pm. This is the evening that Spalding Council honors our Bishop, Priests, Deacons, Sisters, and other religious of the Peoria Diocese. This promises to be a great time with plenty of food. All Spalding Council members are invited to attend. The event is still in the planning stages. Stay tuned for further details. Contact Louis Kanowsky if you would like to help with this event.

The Council is also working on having an Awards Dinner at the Hall, sometime around the middle of September. I did some research and found out that the last time there was an award ceremony here at the Hall was in 2006. That is too long. The Council is looking into having a hog roast, with an awards ceremony where service pins will be awarded. This is still in the planning stages, so stay tuned for further details. If you would like to help with this event, please contact Grand Knight Ed Garrett at the Hall.

The Council will also be working on the beer garden patio outside the bar. Plans call for a 6'-0" privacy fence around the patio, to prevent people from leaving the area and potential injury. This work is expected to be completed this summer.

The current year of 2018- 2019 will see the 120th Anniversary of this Council. Council 427 is the 7th oldest Council in Illinois. The Officers are in the initial stages of determining what type of celebration to have. As always, your input is invaluable. So, if you have an idea, call the Hall and leave me a message. There will be the need for a lot of Council help to make this 120th Anniversary celebration a success.

As always, please recruit a Catholic gentleman to join our order. Form 100's are located in the office at the Hall. Please talk to our agent Clint Coulter about insurance.

Our next Council Meeting will be Thursday, July 26th, 2018 at 7:00 pm. One week prior to that date (July 19th, 2018) will be the Third-Degree Club Board of Director's Meeting at 5:00pm, and the Council Officer's Meeting following at 6:00pm. All meetings will take place at the Hall.

Until next month my friends,
Vivat Jesus
Ed
