Semester 1:						86						working days						Semester 2:						108						working days					

Key Holiday Work day (Mon-Fri) Work day (Sat or Sun) Weekend 194

PH* and PH Denotes a statutory* or non-statutory Public Holiday. Some may not be taken in order to consolidate holiday periods at other times or to avoid 'pay-back' at weekends.
 Non-statutory dates are determined by the Government (often not until close to the date). Note: *Whilst every attempt is made to plan ahead, dates may change where dictated by circumstances beyond our control.*
