LAND DISTURBING PERMIT

Steps to acquire a Land Disturbing Permit.

Submit completed Land Disturbing Application and Permit form with (2) sets of Soil Erosion and Sediment Control Plans and completed to our office.

Once plans have been submitted to our office, we will submit to our local USDA-NRCS office located in Wilkes County.

**USDA-NRCS 059510
James S. "Jimmie" Harris, III
52-A Lexington Avenue
Washington, GA 30673**

**Ph# 706-678-3630, ext. 105
Fax# 706-678-2631
Email: jimmie.harris@ga.usda.gov**

They will submit notification of approval to our office. Applicant must sign and confirm the permit conditions provided on application form. Payment will be required for plans.

Fill out NOI and submit copy to our office and send a copy via certified mail to GA EPD. Once we receive notification that NOI has been delivered; construction can begin 14 days from issuing date.
