Oversee completion of the Healthcare Equality Index for the facility and earned Leader Status from the first year. Coordinate with VISN LGBT Lead around facility goals related to LGBT inclusiveness. Founded and manage the EEO Special Emphasis Program for LGBT employees. Started and serve as clinical consultant for the Secretary of Veterans Affairs' 6 th Annual Diversity and Inclusion Excellence Award-winning, multidisciplinary group of providers becoming proficient in working with transgender veterans. Coordinate funding for and participation by interested staff and veterans in various LGBT-related community events, including Charlotte Pride, Charlotte Black Gay Pride, Charlotte Latin Pride, Greensboro Pride, Charlotte Trans Pride, Pride Winston-Salem, Salisbury Pride, and others as they come up—annually reaching roughly 200,000 attendees. Created web and print materials marketing LGBT-related services. Consult with and train staff throughout the hospital and its clinics on complying with VA directives related to transgender and lesbian, gay, and bisexual veterans. Offer regional and national trainings on working with diverse populations. Offer training for medical, mental health, and support staff on issues related to working with veterans with chronic pain and LGB and T veterans and their families. Provided technical support and management for a VA-wide mailing list related to LGBT issues, and founded and moderate the VHA LGBT-related Employee group on Facebook.	

- Experience (cont.)**
- Private Practice** Charlotte, North Carolina
1/00-Present
Clinical Psychologist
Founded and manage a private psychological practice and consulting firm. Offer psychotherapy and clinical hypnotherapy, focusing on men's issues, particularly those of gay and trans men, male sexual abuse survivors, and therapy-averse men, couples, and on disability and chronic pain related issues. Offer trainings and consultation to mental health providers, volunteer organizations, small businesses, and major corporations on topics ranging from managing a diverse workforce, to handling difficult customers, to keeping volunteers motivated. Manage insurance credentialing and billing with behavioral health insurers. Mentor clinicians as they consider and undertake private practice.
- Fayetteville VA Medical Center Fayetteville, North Carolina
6/11-7/13
Health Behavior Coordinator
Served as Coach-in-Chief to Primary Care staff for their coaching of veterans on nine healthy living behaviors. Trained and coached staff in motivational interviewing and other evidence based health promotion techniques. Evaluated veterans regarding suitability for bariatric surgery and organ transplantation. Served as psychologist for the Primary Care Pain Clinic and taught recurring 8-week pain class, both face-to-face and through clinical video telehealth. Started support group for veterans living with HIV. Chaired facility Pain Committee, co-chaired Health Promotion/Disease Prevention Committee, and chaired Disruptive Behavior Committee. Wrote multidisciplinary pain program and facility policy on bariatric surgery and shepherded them through governance. Began an LGBT Special Emphasis Program for the Fayetteville VAMC's EEO Committee (the 17th in the VA system and the 1st in VISN 6). Appointed to the VHA's Workforce Committee's Diversity & Inclusion Subcommittee and served as co-chair of the Unconscious Bias Workgroup. Offered national training on evaluating suitability for hormone therapy among transgender veterans for the Transgender Training Workgroup of the VHA's Patient Care Services. Worked with groups to create EES trainings related to transgender veterans and unconscious bias. Consulted with various stakeholders across service lines on organizational development and teambuilding.
- Magellan Behavioral Health Staffed Office Charlotte, North Carolina
11/99-10/03
