

**Potential  
SPONSORSHIP PACKAGE**

# Future Stars Football Clinic (FSFC)

## 2019 FSFC Potential SPONSOR

Last year we had 15 Sponsors, which helped us get, 70 Kids registered, 2 NFL players as special guest, and most important 70 lives impacted. We are expecting more participation this year because we are offering the Clinic for “Free” We would love for your help to make this possible. We hope you can help the community and us out. As, we are getting ready to kick off the 2<sup>nd</sup> Annual Future Stars Football Clinic.

The Future Stars Football clinic is set to launch operations late March. There has been an overwhelming number of community leaders to support this program thus far, as the program would not exist without the vision and efforts of the Okaloosa community. However, we are in a great need of football equipment to facilitate the level of training that we aspire to achieve. Thus, we are asking for the community’s help. We know you may receive many requests for donations, and that it may be difficult to discern which programs to contribute towards. The equipment we purchase with your donations will last for years, and will enable young football players to train harder, more efficiently, and most importantly, safely. We at FSFC believe that sports are a great way to build character, self-esteem, sportsmanship, and leadership skills. It is a proven fact that kids who participate in sports do better in school and are more likely to have a positive impact on students, and their communities. Our mission is to provide children with an avenue for growth, with the hope of long-term community fortification. Please consider donating to Okaloosa County’s Future Stars Football Clinic, where every dollar goes to help many athletes, students, and future leaders for years to come.

Thank you,  
Future Stars Football Clinic (FSFC)
