From your URCC Board

It has been warm (hot!) in the URCC offices and kitchen this summer. The 22 year old heating and air conditioning unit that serviced those areas finally broke beyond repair and needs to be replaced. Our Grant Manager, Debbie Glass, has secured a grant that will cover approximately one third of the cost and we are making progress on our letter campaign seeking donations from 'nonmembers. We are optimistic we are going to get a new unit......

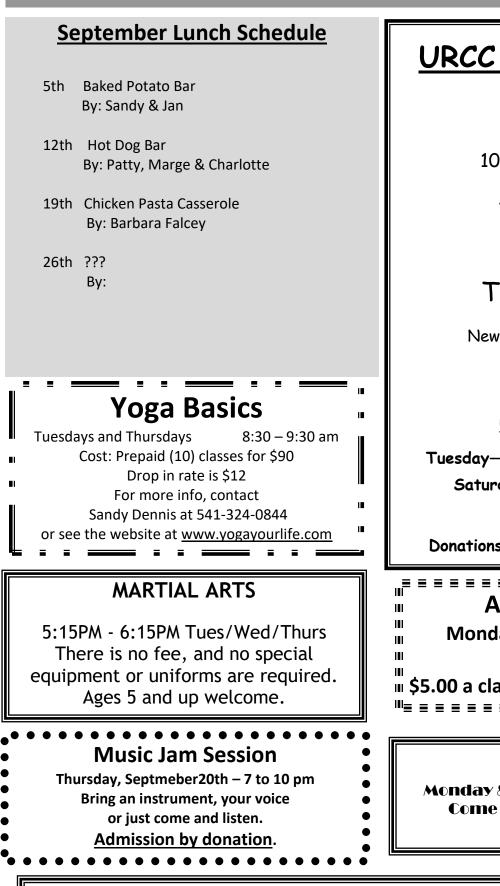

Volunteers? We have quite a few events planned for the coming months including a spaghetti and meatball dinner and dance, Thrift Shop clothing mega-sale, Thanksgiving dinner, Christmas bazaar and, of course, our Wednesday lunches that could all use volunteers. Volunteering is a 'great way to give back to the community and it is actually fun. If you would like to get on our 'volunteer list please call the Community Center at 541-878-2702.
