

MOTION

No. 104

Encouraging the commercial production of hemp on PEI

Peter Bevan-Baker gives notice that tomorrow he will move, seconded by Hal Perry, the following Motion:

WHEREAS agriculture on PEI is heavily dependent on a single crop;

AND WHEREAS increased diversity in the agricultural sector will be beneficial to famers, the economy and our land and water;

AND WHEREAS the climate of PEI is ideal for growing hemp;

AND WHEREAS hemp can be used in a variety of products including human and animal food, building materials, fabrics, furniture, counter tops, walls, and energy generation;

THEREFORE BE IT RESOLVED that the Legislative Assembly encourage government to support the expansion of commercial production of hemp on Prince Edward Island.
