## The Gospel at Sun Prairie

I was recently looking through some old photos that had been hidden away in my office and some others in my “dropbox.” They are photos of ministry events at Sun Prairie. As I reflected on those events I was reminded of the people who gave their time, talents or money to make those ministry events happen. I then began to ponder the regular weekly ministries that have taken place over the last 135 years of Sun Prairie’s ministry. Over and over God has repeatedly used people of Sun Prairie to bring the gospel message to lost people here and abroad and through that effort HE has transformed the lives of thousands and thousands of men, women and children. I have had the privilege of being part of this work for 25 years and I’m overwhelmed at the sacrificial giving of time, talents and money by Sun Prairie folk in order to see Christ’s transformative work of saving and sanctifying people carried out locally and globally. Let’s continue to strive together to glorify God by equipping/helping people to know Him and serve Him. May we never tire of doing the good work of Christ who came to seek and to save the lost.

*“And as for you, brothers and sisters, never tire of doing what is good.” 2 Thess. 3:13*

# People You Should Know....

**Maribeth and Angela Wollman** live in Howard, South Dakota. Maribeth and her husband Tim married in 1984. They have been blessed with four sons (Travis, Roland, Drew and Tyran) and one daughter (Angela). Travis, Roland and Tyran live in Sioux Falls while Drew and his wife Sylva live in Madison where they are expecting their first baby in August. Angela attends Howard High School where she will be a sophomore this fall.

Maribeth grew up in a Hutterite Colony near Howard. After she and Tim were married they moved to Pearl Creek Colony in Iroquois. They came back to the Howard area in 2008. In 2011, Maribeth started her own sewing business out of her home (**Quick Stitch Sewing**). She sews for **Stan’s Mens Shop** in Madison and she also enjoys the many people who drop by the house with their sewing needs or even just hand her something at church that needs to be done.

Besides sewing, Maribeth enjoys gardening, needlework, cooking and her newest passion is painting. Just over 2 years ago, she discovered this joy and she considers her talent a gift from God. Her work can be viewed on Facebook at **Creation Speaks Art Studio**. She is especially looking forward to being a first time Grandma! In her free time, Angela enjoys reading, making videos and hanging out with her brothers.

At Sun Prairie, Maribeth enjoys preparing and serving the meal on Wednesday nights and she also serves as a Deaconess and in the nursery. In the past she has taught Sunday School and Vacation Bible School. On Sunday mornings she takes a turn running the video camera with the help of Angela. When asked what attracted her to Sun Prairie, she responded, “The warm welcome, the friendly faces, the teaching of God’s Word and seeing God glorified in so many ways!” I think everyone would agree that Maribeth and Angela Wollman are definitely **People You Should Know!**
