Life Groups for Deeper Community

A Life Group is much like a family. It is a group of people seeking to be shaped by the gospel and live out the mission God has given them. This gospel centered group shares life, worships, and is on mission together to build up one another and reach the lost. In a growing church it is often difficult for some people to develop deep, nurturing, gospel centered relationships. Life groups consist of 8-12 people who meet once or twice a month providing an opportunity for deeper community life. Each group will set its own schedule and meeting place. Each group will be developed by the "host" who will meet with the Pastor and other group hosts periodically for encouragement and guidance.

Life groups commit to four activities: Spending time together laughing and having fun, Worship through prayer and confession, study and application of the word and finally, striving to encourage one another to being witnesses of Jesus.

Groups will be encouraged to have fun together by sharing in light hearted activities. The study portion of group gatherings will be guided by discussion questions related to current pastoral preaching.

Groups will spend time in prayer and sharing of personal concerns. Finally, each group will be encouraged to agree upon a specific missional focus – connecting with missionaries, focusing on lost people within the community, etc.

If you would be interested in hosting a group beginning this winter, please visit with Pastor Mark for more information.

Comparison is never-ending and exhausting.

The temptation to compare is as near as your next chat with a friend, trip to the store, or check-in on social media. And whether you come out on top or come up lacking, there is simply no win in comparison. It's a trap.

Join Andy and Sandra Stanley as they lead us through 4 video sessions,
Wednesdays at 9:30 am and 7:00 pm
(childcare is provided in the evening)
