

INTRODUCTION TO: BEEHIVE 3 – 6 YEAR GROUP

The Beehive is a (private) parent run school that was established in 1983 by parents for their children, age 3 to 6 years. Our Toddler group commenced in January 2009 and caters for children ages 18 months to 3years.

The Beehive employs qualified Montessori staff, is a member of SAMA (Southern African Montessori Association) and is also registered with the Western Cape Education Department. A parent committee, including the Head Directress manages the affairs of the school.

The Beehive provides a daily living and learning environment for children where they can grow socially, physically and mentally in a structure governed by Montessori philosophy.
