## Commodore's Comments

Hello Everyone,

Well it's that time of year to start talking about the boats coming out. Please let Me know if your winter storage plans have changed for the year. We still have some time some come down and enjoy your boats while you can so come on down. We are also looking for some people to join the lift crew. We are specifically looking for focused people with an eye for safety. If you have any interest please let John or myself know that as well.

First I feel the need to apologize for not getting a High Tide out last month. With all of the goings on, I just lost track of things. Speaking of the going on. I have a whole lot of people to thank for all the events that did take place since the last High Tide.

First I would like to thank Jon and Mary Joe and their crew for sponsoring the summer picnic. It is always a great time.

We had our annual Powder Puff fishing contest and had a great turnout once again. We were able to donate nearly 3K toward the Susan G. Komen breast cancer foundation. Thank you to all that participated, I know I had a great time.

Next I would like to that Jeff Nall for sponsoring Slip shots. I heard it was a great time as always.

After that we had Steak Night. Barb and Mickey once again put the event together with the help of Chief Robert Ilk and his crew. It was one fine dining experience that I for one am glad that I did not miss. Thank you, to all that participated, I know it is a lot of work.

Lastly on the list is the SMYC Car Show. I would like to that Mark and Felicia Neldner and all of their friends for putting this event together. The weather was fantastic and everyone had a great time.

Remember as the year goes on that a lot of people missed out on their hours since we did not have pig roast again this year but we do have a lot of items on the list that we will need help with. Please contact me, any board member or any committee head and we will find you something that needs to be done. Lastly with the high water levels it is going to be an all hands on deck situation to get the piers out of the water. Please anticipate helping raise piers. We will have more to come as haul out progresses.

October will be our annual elections, If you would like to run for a board position please contact Dan Moshinski, Rick Klamrowski or Coleen or Andy Martin. Also Please make a point to attend.

Remember the first Friday of October will be of first Hors D'oeuvre night of the season. Also the 6<sup>th</sup> Annual SMYC 'Spooktacular' will be held October 19<sup>th</sup>. It always is a great night.

## Steak Night Thanks 2019

Once again, we had a successful and delicious event. Many thanks to all joined us for dinner and music. We would also like to thank all of the volunteers for making this event a success. Chef Bob Ilk and his crew, Dennis Anich, George Krudop and Mike Gaynor did a fabulous job on the steaks. Once the grill was hot the onslaught of people with plates in hand was huge. The members that volunteered were amazing. It's great to work with seasoned members, Tom & Meg Ciurli, Bob and Ade Minerick, Jayne Wisniewski, Brent & Nancy Mason, Jeff Ward, as they just "do" what needs to be done. This year we had several new members, Monica & Homero Naboa and Nancy Acevedo volunteer and you would not have know it was their first Steak Night as everything flowed perfectly. Thank you also to Sandy Webb for the beautiful flower arrangements. Our profit from the dinner was over \$500.00 and the bar did 1399.54.

Thank You,

Barb & Mickey Nowak
