I understand that classes are held in the presence of other dogs & their owners/handlers & participation of my dog & me in training will require some physical activity on our part (depending on the class). This activity can involve running, jumping & the use of obstacles such as tunnels, scaling planks, jumps & tires which could result in injury to me, my dog or others. I represent my dog & I am in good health & physical condition necessary to participate in the activities for which we are enrolled. I further represent my dog is friendly & not a hazard to people or other dogs. I am participating at my own risk & will not hold "RCSC", its board of directors, the training staff, BFDC officers, or owners of other dogs liable for any loss of injury, illness, expenses or hardship that may arise in connection with my participation in the activity. I further agree to assume full responsibility & liability for any & all damage caused by my dog or me.

I understand that there will be no refunds once classes have started.
