The new and current Board of Directors would like to inform you of all the things accomplished through cooperation, every Director's input and teamwork. We have had to repair, replace and correct many things since Hurricane Irma. THIS HAS BEEN DONE WITHOUT HAVING TO ACCESS OWNERS, AS MANY OTHER ASSOCIATIONS HAD TO DO.

123 palm trees had to be removed. This either required cutting down or removal and stumps ground up.

All the huge live oak trees on all courts have been trimmed.

The remaining palm trees have been fertilized and trimmed.

Shingles damaged or lost were replaced on units.

A new stop sign was replaced on Temple Court.

Security lights were restored. This required much work and replacement of parts.

Part of the chain link fence was destroyed and has been replaced.

The old shed which was destroyed was removed and a new one was purchased, delivered and set up.

New Neighborhood Watch signs have been replaced on all courts.

Many sprinklers have been repaired or replaced.

The lawn has been fertilized.

A new look at the area around the office. Some new shrubs and mulch have made it look SO GOOD.

Our new Office Secretary, Sue, has been hired and trained.

Owners must have an up to date copy of their insurance policy on their units on file in the office. It is the responsibility of the owner to forward a new copy, when renewed, to the office.

Board members are very concerned about owners who are not following our governing documents, rules and regulations and are not taking care or not repairing or are abandoning their units. These matters will be addressed seriously.

BUDGET AND ELECTION COMMITTEES

Owners are needed to serve on the Budget and Election committees. Please contact the office if you are willing to serve on these committees.

ORANGE GROVE HAS A WEBSITE

It has been active for the past few months and all the bugs should have been worked out. You can access it from your computer or cell phone (data rates may apply) at * www.orangegrovepark.com * The first two tabs are available to all, if you want access to the other information stop by the office or submit in writing to get the password, this applies to owners only. If you experience any problems with the website, email Tom Kijanka at * orangegrove@centurylink.net * Describe the problem and include your phone number and we will do our best to work with you to resolve it.

Enjoy the rest of summer.
