Minutes of the Roxbury Selectmen meeting Sept. 4, 2018

In attendance: Selectmen Tim O’Brien and Jim Rousmaniere.

The meeting opened at 5 p.m.
The minutes from August 27 were approved.

The selectmen reviewed and approved an invitation for expressions of interest in conducting winter road maintenance in Roxbury. The invitation (a copy of which is attached) will be posted on (a) the town web site, (b) the town hall bulletin board and (c) the classified advertising section of The Keene Sentinel.

Selectman Rousmaniere reported that he had been in touch with a representative of Eversource regarding a tree-clearing project that had apparently slipped through the cracks. The trees, which would be removed at no cost to the Town, included a poplar near the garage and two large pines on the edge of the Town Hall parking area that had been damaged by infestations of insects. The Eversource representative agreed to get on the case immediately.

It was noted that the stump of a tree on the east side of Middletown Road just north of the Dakin Road had been successfully ground down, as had previously been ordered by the selectmen.

It was reported that everything appears to be in order for the handling of votes in the Sept. 11 New Hampshire primary.

Having heard from Pat Greenwood an estimate of $1,200-$1,500 for the clearing of brush on both sides of The Davis Road, the selectmen voted to proceed with the project. Mr. Greenwood will be so notified.

The selectmen agreed to apply a final coat of paint on the front of Town Hall with the expectation that the Meeting House sign can then be affixed to the front. As for the remainder of the Town Hall painting project, it was agreed that the south and east sides will be attended to as time permits; the west side is complete.

The selectmen took receipt of a revised intent-to-cut form for a property in town that accurately recorded the names of the owners of the property; still, the lot # was improperly identified; the forester of record on the project will be alerted to the matter.

The manifest was filled out by Selectman Rousmaniere, and was signed.

There being no further business, the meeting adjourned at 6:45 pm.
