Hello Karting Family!

We hope the New Year is treating you well so far! As some may have seen, we've finally put together a schedule, so start planning the rest of your year around it! We're pretty excited about 2019 and hope you are as well. We've got 10 races on the schedule this year, with one two-day event slated for Garnett, Kansas the weekend of June 8th & 9th. The Saturday before the race will be a bonus race, every participant will receive bonus points for participating, the format of this race will be a bit 'different' than usual... We hope you will come out both days to run with us.

We'll be at the [World of Wheels](#) Auto show Feb 22-24. Our booth will be located next to the [KC CARB](#) booth which has a really nice setup, so we should draw some good traffic, we're hoping to meet a lot of new people and get them interested in karting! We hope you'll stop by and visit for a while, and maybe even man the booth with us. We can use as many greeters and hand shakers as we can get.

Our website gets a lot of traffic after the show, so if you've got a kart and want to get it sold, the time is right. Send us your pictures, and a brief description of what you've got and we'll get it listed on our [Karts and parts](#) page. Now's will be the time to get them up there!

We're looking at Saturday, March 31st for our first blow out the cobwebs Test and Tune in preparation for the 2019 racing season. It'll be a good time to get your kart out, shake off the winter rust and run some laps! It's also a great opportunity to gear up for the season and sell the stuff you don't need anymore. Building on that we're also planning a Summer Test and Tune the Saturday before Memorial Day, should be a great way to start the best racing weekend of the year!

Our 2019 T-shirts are Vintage inspired. We've recreated the logo of yesteryear and plan to get these printed for distribution at the first race. They're going to be SuperCool, so visit the [store](#) on our website and get your order in!

Don't forget its 2019, and your 2018 membership has expired. All annual memberships restart on January 1st! Again, this year, we're running the \$140 early bird discount until 3/1. So download a [form](#), fill it out and send us a check or PayPal us some cash with your form. We'd sure hate to have you locked out when the weather turns nice and you're ready to hit the track.

Lastly, our next club meeting is scheduled for Feb. 5th (6-9pm) at the [Mason Jar](#) in KCK. We plan to talk about the 2019 season, plan for the WOW show and address any necessary rule changes. Technical Rules, weights, body work, whatever comes to mind and you have some thoughts on it, let us know! If you can't be in attendance, please email us any thoughts or changes you would like discussed and potentially integrated.

Thanks for your time and **GO CHIEFS!**
