## FIFTH SUNDAY OF EASTER

**Today in Focus: *Open your heart!*** by Sarah Escobar...God calls us daily into an intimate union. Today's readings remind us of this and that our souls thirst for God's love. God is the only source of eternal life, and apart from God we will never be satisfied. In this Easter season, we rejoice in the Lord's resurrection, and we continue to reflect on his unfailing and everlasting love for us. Today, we are called to go deeper in our relationship with Jesus and surrender our lives to him, so we can be who we were created to be. As the branch needs to be attached to the vine, we need to be attached to Jesus to produce fruit. As we grow in faith and love for others, God will prune us, so we can produce more fruit. The more time we spend with Jesus, the more we will learn to love others and ourselves as he does. We will be faithful to his commandments and abide in him. Today, let us open our hearts to receive Jesus and his love. Let's take today's readings home and meditate on them- especially the gospel. It's a great passage to use for a *Lectio Divina* with family or friends.

**THE MISSIONARY COOPERATIVE APPEAL** Next weekend, **May 5-6, 2018**, our parish will be visited by Fr. Ferdinand Lukoa of the Society of the Divine Savior (Salvatorians) from Tanzania who is currently working in the United States as the Mission Director. He will share with us their courageous evangelization efforts on behalf of the Catholic Church and give us an opportunity to support their work in the field. A second collection will be taken up following his presentation. Thank you for your generosity.

**ATTENTION PARISHIONERS:** The office will be **closed Thursday, May 3**, due to Archdiocesan training.

## ULTRASOUND HEALTH SCREENING EVENT: Tuesday, May 8<sup>th</sup>

**For the Communities of Poth & Kosciusko--to be held at Blessed Sacrament Catholic Church in Poth, Tx**  
Blessed Sacrament Catholic Church in Poth will be hosting the health screenings offered by the Stroke Scan Plus Medical Team for the communities of Poth & Kosciusko to be held on **Tuesday, May 8<sup>th</sup>** in Poth's Parish Hall. Stroke Scan Plus Medical Team will be performing eight ultrasound screenings for stroke prevention, aneurysm and various types of cancer as well as screening for AFIB. These screenings are typically NOT performed at annual check-ups, nor will insurance companies pay for them unless you are symptomatic. Collectively, these screenings would cost \$3000-\$5000 to have them done individually at dr.'s offices/clinics. Stroke Scan will be offering them to you for \$149 for all 8 ultrasounds combined. Linda Duke, a Preventive Healthcare Coordinator with Stroke Scan Plus will be here **this weekend, April 28-29**, during and after Mass to explain the process with these important health screenings. Pre-registration will be held after each mass for the screening event that is scheduled for May 8<sup>th</sup>. You may also call 1-866-935-7226 to schedule your appointment. Appointments are limited, so schedule your specific time now.
