

SEGT 2018

International Conference on Sustainable Energy and Green Technology

11 - 14 December 2018

DoubleTree by Hilton Kuala Lumpur, Kuala Lumpur, Malaysia

<http://www.isegt.org>

The International Conference on Sustainable Energy and Green Technology 2018 (SEGT 2018) will be held in conjunction with the 4th Energy Engineering Alliance Forum (EEAF 2018) on 11-14 December 2018 in Kuala Lumpur. SEGT 2018 aims to promote research in the field of sustainable energy, green technology, environment and climate change, and facilitate the exchange of new ideas in these fields among academicians, engineers, scientists and practitioners. It includes plenary, keynote & invited speeches, oral presentations & poster sessions on different topics. Accepted full papers will be published in conference proceedings: IOP Conference Series: Earth and Environmental Science (EES) (indexed by Scopus and Ei Compendex)*. Selected papers will be published in special issue of renowned ISI-indexed journals i.e. International Journal of Hydrogen Energy (Q1; IF 3.582), International Journal of Energy Research (Q1; IF 2.598), Energies (IF 2.262) and Frontiers in Microbiology (Q1; IF 4.076); and recommended for publication in The Journal of the Chinese Society of Mechanical Engineers (Q4) and Journal of Advanced Research in Fluid Mechanics and Thermal Sciences (Scopus indexed journal). Best Paper Awards and Best Poster Awards will be presented.

Conference Topics

- New and Renewable Energy
- Sustainable Technologies for Energy Conversion
- Environment and Climate Change
- Energy Management, Policy, Economics and Sustainability
- Energy Sciences
- Energy Storage and Power Engineering
- Sustainable Cities, Architecture and Green Buildings
- Green Design, Products and Manufacturing Processes
- Green Materials
- Waste Management and Waste Water Treatment
- Heating, Ventilation and Air Conditioning (HVAC)
- Smart Grid
- Bioresource and Bioenergy
