

Cruising Club of New England

Mooring Policy

This policy refers to the Block Island Club Mooring Permit held by CCNE with the Town of Shoreham, MA.

PURPOSE

To allow for access and use of Club Mooring #166 to the greatest possible number of *member* yachts. This mooring is marked "CCNE", and is located approximately at 41 11.337N, 71 34.898W. The harbormaster can be reached on VHF 12.

POLICY

Member in Good Standing: Member's dues must be paid in full for the current year.

Harbormaster's Regulations and Ordinances:

- 1) All boats/members using a club mooring must fly the club burgee and be in good standing with the club. Reciprocal privileges among other clubs do not apply with this mooring permit.
- 2) Because of weight and scope of mooring, no more than three (3) yachts may be rafted overnight. In blows of 25 knots or more, only one (1) yacht may remain and then only subject to dictates of the harbormaster.
- 3) The Town of North Shoreham and the EPA prohibit discharge of sewage into town waters. By using the mooring, you agree NOT to discharge sewage into town waters and to grant permission to the Harbormaster or his designated assistant(s) to board your vessel to inspect sanitation facilities (MSDs).

ANY NON-COMPLIANCE WITH THE HARBOR ORDINANCES IS CAUSE FOR REVOCAION OF THE CLUB'S MOORING PERMIT. THIS COULD RESULT IN THE VIOLATOR'S LOSS OF MEMBERSHIP IN THE CLUB.

The mooring shall not be made available to non-members who charter members' yachts. Member yachts, or yachts under charter to member(s), shall be entitled use of the mooring as follows:

The maximum number of days allowed for mooring use during a boating season is six (6). The boating season is considered the last weekend in June through Labor Day.

The mooring cannot be used by the same boat on two (2) consecutive weekends.

The weekends immediately before and after the annual cruise are reserved for member yachts that have signed up for the annual cruise and attended a minimum of four (4) days of the cruise.

Weekdays: Monday to Thursday - No restriction to number of nights allowed, unless the number of yachts exceeds the mooring capacity. If additional yacht(s) arriving, wishing to use the mooring, then refer to weekend schedule.

Weekends: Friday, Saturday, Sunday - No restriction to number of nights allowed, unless a member yacht arrives by sunset and **indicates** their intention to use said mooring the following day. First yacht on mooring is first yacht off.

Holidays: Weekend policy applies.

Courtesy: Arriving yachts intending to use Club mooring should hail moored yachts of their intention to use said mooring the following day. Moored yachts having to give way shall abandon mooring by 11:00 am. If member does not wish to raft, they must vacate the mooring for the newly arrived member.

Reservations: No reservations can be made for use of the mooring. First come is first served.

Unattended boat: No boat may be left unattended overnight on the mooring.

Readiness: For your own protection please leave fenders out at all times.

Request: In order to evaluate the mooring use and policy compliance, it is requested that all members who use the mooring or try to use the mooring, to report to the Commodore confidentially as to who was on the mooring with them or who was on the mooring when they tried to use it.

PENALTIES

The penalty for not adhering to the Harbormaster Ordinances may cause loss of the CCNE mooring permit for the club and could result in the violator's loss of membership to CCNE.

Noncompliance with Club mooring rules will result in the following:

- First infraction, the privilege of mooring use is suspended for two years (2).
- Second infraction will result in loss of membership in the Club.

Complaints: If anyone has a complaint about mooring use, they must put it in writing to the Commodore.
