

CCNE 2019 ANNUAL CRUISE

YOUR INPUT IS NEEDED TO HELP ORGANIZE THE CRUISE!!!!

Send your responses to my email sybaris23@msn.com
(DO NOT REPLY TO THE CLUB EMAIL) per items #1,#2 and #3
If you plan to be on the cruise, simply respond with
I'll be on my boat with the fleet.

Per item #3, planning must be done NOW!

1-Will there be any 'drive alongs' (not going on cruise but possibly meeting the fleet at one or more ports along the way?) **Please let me know early on if you definitely plan to, or possibly will be a 'drive along'.**

2- The club needs a member/volunteer (perhaps not going on the cruise) who can assist on Sunday August 4th by driving all necessary items for the **CCNE sponsored Grillin' to the Dutch Harbor BoatYard.** (tres important)

3-There will be a **Cruise Wind Up Lunch.** The cost per person can range from \$35 - \$50. If that is within reason, or not, I need to know with your response to this email.

Depending on the venue, it can be a buffet or sit down. I need to know NOW the likely number of attendees (as an estimate). Some venues will only serve up to 25-30 persons in the main dining area. If over that number I need to set up an event room. How many from your boat will attend the wind up lunch????

Included in an upcoming email blast will be locations to call for moorings or slips. Kickemuit is anchoring only.

I will be informing the marinas/boatyards/etc that members of CCNE will be making individual reservations on their own, not as a block thru CCNE.

Make your reservations with those marinas/boatyards/etc as soon as you get the upcoming email. Remember to verify their cancellation policy...most let you cancel within a few days of your arrival. Reserve early and often!

I am working on sponsors/donations for prizes, raffles and reverse auctions.

There will be a Poker Run on the cruise. Winner determined at Wind Up Lunch. Due to popular demand, yes, bribes will be accepted.

Ver 1.0
