To whom it may concern:

LA REFRIGERATION & ELECTRIC SERVICES has been actively providing maintenance and servicing solutions to the College of Cape Town for over 20 years and has assisted us with many such related work.

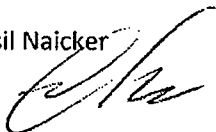

From the simplest of tasks to the more challenging projects, LA REFRIGERATION & ELECTRICAL SERVICES has been able to solve them for and with us. They are always able to offer a suitable solution and each job was/is performed with professional aptitude and expertise. We have always been able to rely on this company's performance as the work is completed thoroughly, promptly and with the utmost integrity.

We have no reservations in recommending, LA REFRIGERATION & ELECTRICAL SERVICES to work at other institutions and commend them on their consistency of performance, and responsiveness.

Should you have any questions that we may answer, please do not hesitate to contact our corporate office.

Yours Faithfully
