MEDIA RELEASE

TITLE: The Hon Julie Bishop and the new PM Morrison

Frankly I can't fathom the Aussies. Nor why the same party keeps doing the things they do.

Hon Bishop according to some should have been the new PM. But that's politics.

I congratulate the new Prime Minister Morrison on his appointment and we'll know soon enough who has replaced Hon Julie Bishop.

Must say though I found her very engaging and easy to get on with. She agreed to the school, waste project and renewed scholarship program.

I thought she did us proud and wish her well in her future endeavours
